

# St. Patrick's Day Leprechaun Paper Plate Mask

## MATERIALS:

- Paper plate
- Green, yellow, and black construction paper
- Orange paint
- Gold glitter
- Stapler
- Glue
- Yarn
- Scissors

**Step One:** Cut out a circle in the middle of the paper plate.

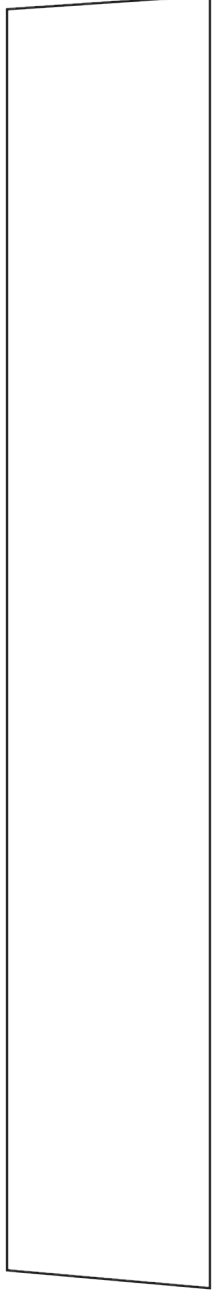

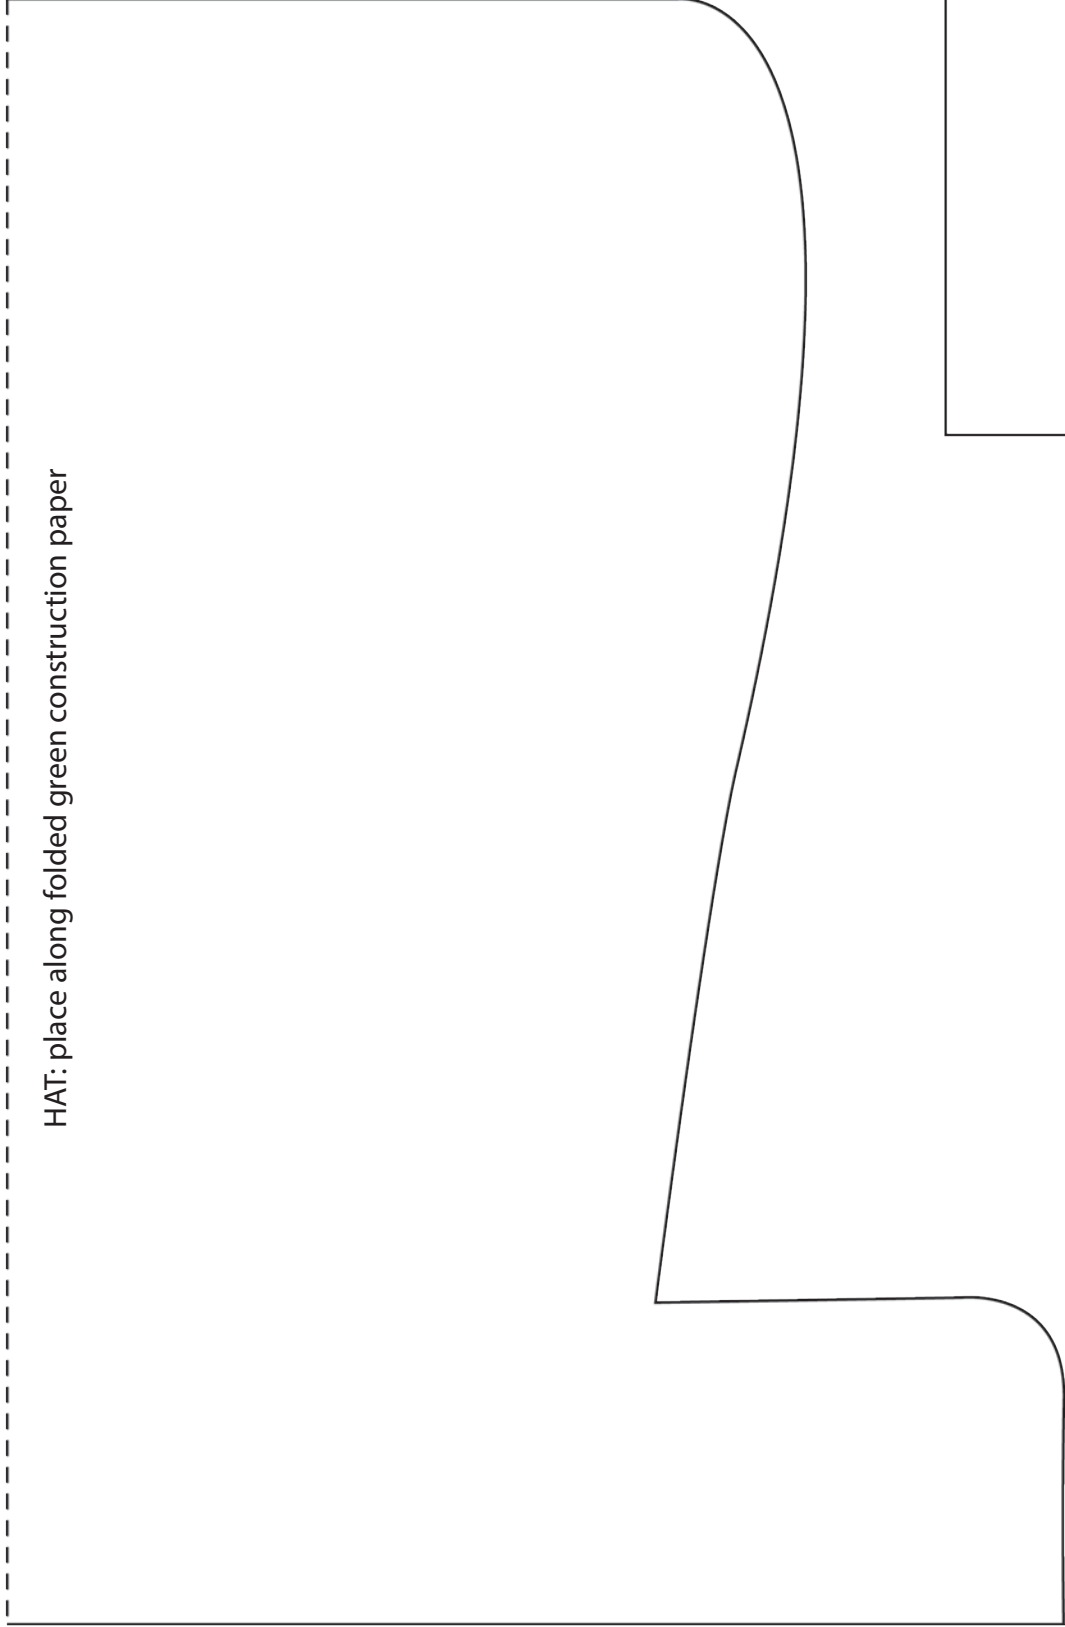

**Step Two:** Paint the paper plate orange and allow to dry completely.

**Step Three:** Allow your paper plate to dry and create your leprechaun hat. Use the pattern provided and trace on Green construction paper. Use Yellow construction paper for the buckle and Black construction paper for the ribbon. For some sparkle you can also add gold glitter to your leprechaun hat's buckle.

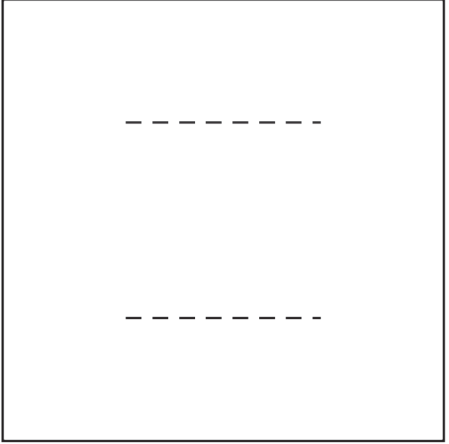

**Step Four:** Glue the pieces together on the leprechaun hat and staple your hat to the mask.

**Step Five:** To create a fun bearded affect, cut small strips on the bottom of your painted paper plate. To make your mask tie around your child's head tie yarn on each side of the mask.

HAT: place along folded green construction paper

RIBBON: cut one from black & thread through buckle at dotted lines

BUCKLE: cut one from yellow & slit at dotted lines
